RESEARCH & DEVELOPMENT CELL

The Research and Development Cell at Government College, Mandi Hariya (Charkhi Dadri) promotes research-oriented activities, culture between teacher and students. This cell aims to support collegiate research that contributes to India's self-reliance agenda. The cell encourages students and professors to conduct new research in developing areas through seminars, conferences, and theme-based workshops.

Composition of the Research and Development Cell.

Dr. Arjun Sharma - Convener

Dr. Yogita Godara - Member
